

Hello. I received information from K-LOVE regarding the FCC's LPFM service proposal. I am concerned this service will replace K-LOVE, which is the only radio station my family and I listen to.

K-LOVE's programming is "family friendly" which is vital to me as I have three young children. It also upholds the same values I have.

Without K-LOVE, my family and community would be subject to the "garbage" played on regular radio. (That even includes some programming on public radio stations.)

K-LOVE is the only alternative for those of us who desire to listen to positive and encouraging words and music throughout our day.

I listen to K-LOVE on 88.1 FM and would greatly appreciate it if I could continue to do so. Others in my area listen to it via 88.9 and 88.7.

Thank you for your time. I appreciate it.

Sincerely,

Teresa A. Farrell
